### **National Audubon Society - I Bird, I Vote**

Join bird lovers across the country and **PLEDGE TO VOTE** in the 2024 election. In addition to the much talked about federal races, there are state and local elections this year that will have an impact on what happens next: on the future of our communities, habitats, and the birds we love.

The decision makers that will take office will have an important influence on the ways that laws are written and enacted at every single level of government.

**The best way to protect birds and the places they need is to make sure that you vote this year on or before Election Day on Tuesday, November 5, 2024.**

Birds can't vote, but you can. Sign the pledge to say you're in! Find the pledge here: [I Bird, I Vote: Sign the Pledge to Vote Today | National Audubon Society](#)

All profits benefit the chapter's conservation and educational outreach efforts.

Please consider donating a bag of Black Oil Sunflower seed to the UA Field Station at Bath Nature Preserve if you don't feed the birds at your current residence (marked as such on the order form) and we'll deliver it. Many thanks to Scoutmaster Mike Fasig and other troop leaders and the scouts of Troop #382 who will again be helping to load the seed and to Chrissy, Mark and Nancy Roesner at Copley Feed for their continued support of our chapter.

The chapter also needs a Bird Seed Sale Coordinator. If you'd be interested in heading this effort in the future, please get in touch at [330-645-0953](tel:330-645-0953) or [info@akronaudubon.org](mailto:info@akronaudubon.org).
