Tuesday, November 24, 2020 7:00 p.m. Zoom presentation hosted by the Greater Akron Audubon Society, ***"Saving Cranes"*** **-** a program by local naturalist Tom Leiden and his worldwide efforts to help save cranes. Tom Leiden a local naturalist and conservationist, will share his first-hand experiences with the International Crane Foundation's field team, and the wondrous work being done to understand and save cranes so they continue to brighten our skies.

Registration for the Presentation is required.
Link to registration coming.....see GAAS website for details http://akronaudubon.org/

Sunday, December 20, 2020 - Annual Christmas Bird Count (CBC).
If you are interested in participating, send us an e-mail. Participating in the count is a great way to improve your birding skills since you will be teamed with experienced birders. No previous birding experience necessary. We'd love to hear from you! Want to participate? Please contact the CBC organizer Mike Edgington at greatgray08@gmail.com or GAAS at info@akronaudubon.com

NOTE: National Audubon has indicated that local chapters or teams may choose to cancel this year's CBC due to concerns relative to the COVID-19 virus. Details are being worked-out by the local CBC organizer to establish social distancing guidelines and best practices to allow this event to safely proceed. We will send out updated information as soon as it is available.

OPTIONS FOR PARTICIPATING IN ZOOM PRESENTATIONS
Don't have a computer with video capability to join the Zoom presentations? Not comfortable using the technology?

Members can join the Zoom presentations via their telephone and listen to the presentation (no video). Simply register via the link note above for the presentation which interests you. After registration you will receive an email with the appropriate dial-in number.
