

Greater Akron Audubon Society 2023 Annual Wild Bird Seed Sale

As has been our tradition, this year's wild bird seed sale is possible through the generous cooperation of Copley Feed & Supply store on Copley Circle, 1468 S. Cleveland-Massillon Road. Our seed is fresh and prices are competitive with retail offerings in the area. This is the chapter's only fund raising effort; profits support our chapter activities.

Order Deadline is October 27th. Pick up is November 4th at Copley Feed, 10 am - 1 pm

Please mail your check, payable to Greater Akron Audubon Society, and completed order form ASAP to:

Greater Akron Audubon Society
PO Box 19190
Akron, OH 44319

All order forms must be in by Oct. 27 to accurately place the order with Copley Feed.
